

LIAM SETTERLUND

SUMMARY

I am a freelance sports content writer with a strong passion for all sports. My goal is to find a role in an environment where I can be creative, collaborate with teammates, and contribute to the development of successful content, products, games and/or applications.

EXPERIENCE

Freelance Writer

Spotlight Sports Group | November 2023 - Current

- Providing sportsbook-related promotional content, highlighting new offers for the top global sportsbooks, casinos, and fantasy sites.
- Providing creative sports writing content in all categories of sports.
- Editing the content of other freelance writers for proper formatting and grammar before submission.

Student Researcher

Concussion Sensing in High Impact Sports | September 2019 - May 2020

- Conducted over 200 trials with a ballistic-gelatin head and weighted pendulum to collect impact data.
- Analyzed data to develop a concussion severity categorizing system.

Student Researcher

Hong Kong - Friends of the Earth | October 2018 - April 2019

- Spent two months in Hong Kong researching the common obstacles that prevent investors from switching to Earth-friendly alternatives.
- Completed numerous interviews with a wide variety of investors to capture their stance on green investments.

EXTRACURRICULARS

- Played for the WPI NCAA Division III Men's Soccer team (2015-2019)
- Soccer, Boxing, Gaming, Fitness, International Travel, Music, VR / AR

VOLUNTEER EXPERIENCE

- WPI Summer Camp Counselor (2016)
- Joshua Thibodeau Helping Hearts Foundation (2014 - Present)
